Welcome to NAPIT insurance

If you're a NAPIT member, then we're here to help you. NAPIT Insurance is designed exclusively for NAPIT members. We'll help you make sure you have the right insurance for your business and the specific type of work you carry out.

Insurance for electrical contractors can be complex. Our team is here to help you understand the risks you're exposed to and the covers that can help protect you and your business.

NAPIT Insurance is not just an online insurance provider or call centre. We aim to make it simple and easy for NAPIT members to get tailored advice to your specific line of work. We don't offer a one-size fits all product – our cover is tailored to meet your needs.

Our team is professionally qualified and understands of the needs of NAPIT members.

As an electrical contractor, you know that your tools are vital to your business. If a tool is lost or damaged, it can impact your ability to complete a job and its intended function. If something goes wrong and damage is caused, you could be liable.
