This Guide is for use with the NAPIT Application Forms for electrical operatives, it is not a guide about electrical qualifications.

Important note for anyone applying as an EXISTING OR PREVIOUS (last 2 years) REGISTERED COMPETENT PERSON

Registration is available for someone transferring existing registration from another certification body or registering within two years of any previous registration with NAPIT or another certification body. Provided evidence is available of previous successful assessment(s), the scope of registration in this case will be the same as that currently/previously held, and the only qualifications evidence required is the Wiring Regulations Qualification from List 3 of this guide. If applying for a higher scope is classed as a new application and full qualifications will be required.

Please note if previous certification has been withdrawn this will be reviewed on an individual basis for acceptance, regardless of achieving a successful assessment.

Important note about RESPONSIBILITY requirements

Other than someone with existing or recent registration, applicants must have demonstrable evidence of 2 years' responsibility for technical standards of electrotechnical work and evidence of ongoing Continuing Professional Development. A person applying to undertake Periodic Inspection and Testing will be required to have at least 2 years' evidence of undertaking periodic inspection and testing, plus evidence of ongoing Continuing Professional Development.

Important note about SITE ASSESSMENTS

Qualifications or certificates of competence are required for registration, but competence itself must be demonstrated in practice and the site assessment element of the application process must also be satisfactorily completed. If the assessment finds weaknesses or evidence of a lack of competence NAPIT can require additional or repeat training and assessment to complete registration.

ECS Cardholders

Please note, the JIB/SJIB ECS card alone is not sufficient evidence of meeting the qualification requirements, the card will need to be verified via ECS, and evidence retained. Qualifications referenced will need to be shown on assessment.

Important note about Qualifications from outside the UK

When a Qualified Supervisor applicant has been trained outside the UK they need to demonstrate that they have fully met the same UK qualification standards, as if they had been trained in the UK.

Educational Counselling and Credit Transfer Information Services (Ecctis), will map non-UK electrical qualifications against the specific knowledge requirements of the Experienced Worker Assessment.

The service will provide the Qualified Supervisor applicant with an 'Industry Skills Statement' - further information can be found on the Ecctis website.

©NAPIT Registration Ltd

Qualification Lists are provided for each Work Category

Electrical Work Categories: For full details of the scope of the work categories above refer to Appendix 1 of the EAS	**Underpinning Core Technical Competence**		**Wiring Regulations**	**Initial Verification**
	Dwellings	**All**		
	Lists 1 & 2	**Lists 2**	**List 3**	**List 4**
A1 Electrical installations up to and including 1000 V AC or 1500 V DC				
A1.1 Dwellings (BS 7671)	✓	✓	✓	✓
A1.2 Other than Dwellings (BS 7671)		✓	✓	✓
A1.3 Temporary electrical systems (BS 7909)*		✓	✓	✓
A2 Periodic inspection and testing: List 6				
A2.1 Dwellings (BS 7671)	✓	✓	✓	
A2.2 Other than Dwellings (BS 7671)		✓	✓	
A4.3 Electric Vehicle Charging Equipment (EVCE) Installation: List 9				
A3.1 Dwellings	✓	✓	✓	
A3.2 Other than Dwellings		✓	✓	
A4.4 Solar Photovoltaic (PV) Systems Installation: List 13				
A4.1 Dwellings	✓	✓	✓	
A4.2 Other than Dwellings		✓	✓	
A4.5 Electric Energy Storage Systems (EESS) Installation: List 14				
A5.1 Dwellings	✓	✓	✓	
A5.2 Other than Dwellings		✓	✓	
A4.6 Micro Wind Turbine Installation				
A6.1 Dwellings	✓	✓	✓	
A6.2 Other than Dwellings		✓	✓	

*A1.3 also requires BS 7909 training included in List 8

Work categories :	
Underpining Core Technical Competency (Domestic)	List 1
Underpining Core Technical Competency (All – current)	List 2

List 1 - Underpinning Core Technical Competency (Dwellings only)

Suitable for electrotechnical work applications within dwellings only. This qualification also covers initial verification, so no additional qualification is needed from List 4.

LIST 1 - Underpinning Core Technical Competence (Dwellings only)		***For information***
Qualification Title *Exact titles may vary from one awarding body to another*	***Awarding Body***	***Qualification Number (Ofqual)***
Level 3 Certificate in Installing, Testing and Ensuring Compliance of Electrical Installations in Dwellings (QCF)	*City & Guilds*	*600/7888/1*
Level 3 Electrotechnical Experienced Worker Qualification and AM2E assessment of competence	*City & Guilds 2346*	*603/6294/7*
Level 3 Electrotechnical in Dwellings Experienced Worker Qualification and AM2ED assessment of competence	*City & Guilds 2347*	*610/2859/9*
Level 3 in Electrotechnical Services Experienced Worker and AM2 assessment of competence	*City & Guilds 2356-99*	*N/A*
Level 3 NVQ Diploma in Installing Electrotechnical Systems and Equipment (buildings, structures and the environment), includes integrated AM2 assessment of competence	*City & Guilds 2357-13*	*501/2232/0*
Level 3 NVQ Diploma in Installing Electrotechnical Systems and Equipment (buildings, structures and the environment), includes integrated AM2 assessment of competence	*City & Guilds 2357-44*	*N/A*
Level 3 NVQ Diploma in Installing Electrotechnical Systems and Equipment (buildings, structures and the environment), includes integrated AM2 assessment of competence	*City & Guilds 2357-91*	*N/A*
Level 3 Installation Electrician / Maintenance Electrician apprenticeship standard, incorporating end point assessment of competence AM2S and Level 3 Electrotechnical Qualification (Installation) or (Maintenance)	*City & Guilds 5357*	*601/6299/5*
Level 3 Domestic Electrician apprenticeship standard, incorporating end point assessment of competence AM2D and Level 3 Electrotechnical in Dwellings Qualification	*City & Guilds 5393*	*610/1297/X*
Level 3 Diploma in Electrotechnical Studies and Practice (Military Engineering) and AM2 assessment of competence	*Defence Awarding Organisation (DAO)*	*603/2673/6*
Level 3 Domestic Electrician apprenticeship standard, incorporating end point assessment of competence AM2D and Level 3 Electrotechnical in Dwellings Qualification	*EAL*	*610/1335/3*
Level 3 Installation Electrician / Maintenance Electrician apprenticeship standard, incorporating end point assessment of competence AM2S and Level 3 Electrotechnical Qualification (Installation) or (Maintenance)	*EAL*	*601/7345/2*
Level 3 NVQ Diploma in Installing Electrotechnical Systems and Equipment (buildings, structures and the environment), includes integrated AM2 assessment of competence	*EAL*	*501/1605/8*
Building Services Engineering (Level 3) - Electrotechnical Installation and AM2 assessment of competence	*EAL*	*C00/4278/8*
Level 3 Electrotechnical in Dwellings Experienced Worker Qualification and AM2ED assessment of competence	*EAL*	*610/3326/1*
Level 3 Diploma in Electrotechnical Services Experienced Worker Assessment Route and AM2 assessment of competence	*EAL*	*N/A*

LIST 1 - Underpinning Core Technical Competence (Dwellings only)		***For information (continued)***
Qualification Title *Exact titles may vary from one awarding body to another*	***Awarding Body***	***Qualification Number (Ofqual)***
Level 3 Electrotechnical Experienced Worker Qualification and AM2E assessment of competence	*EAL*	*603/5982/1*
Level 3 Certificate in Installing, Testing and Ensuring Compliance of Electrical installations in Dwellings	*EAL*	*600/7695/1*
Level 3 Certificate in Installing, Testing and Ensuring Compliance of Electrical installations in Dwellings**	*LCL Awards**	*601/7876/0*
SVQ 3 in Electrical Installation at SCQF Level 7 and FICA assessment of competence	*SQA*	*GR5F 23*

**LCL Awards is a trading name of Logic Certification, qualifications may have been previously issued in this name.*

*** Only individuals who have achieved this qualification before January 2026 will be eligible to apply*

Note: Formal training programmes prior to 1994 will probably have followed an apprenticeship training programme. If this is the case, then the final Apprenticeship Deeds or Apprentice Completion Certificate can be provided in lieu of the AM2.

©NAPIT Registration Ltd

LIST 2 - Underpinning Core Technical Competence, all Electrotechnical Work (Including Dwellings)

This is suitable for all electrotechnical work including in dwellings. These qualifications also cover initial verification so you will not need an additional qualification from list 5.

Since the 1st of January 2019 it has been a requirement to hold a separate BS 7671 18th Edition qualification unless it can be evidenced that the qualification taken included updates to the BS 7671 18th Edition. The evidence will be subject to review by NAPIT.

The reference to geographical region indicates where a qualification was available, the qualifications are acceptable for any region of the UK.

LIST 2 - Underpinning Core Technical Competence, all Electrotechnical Work (Including Dwellings)		***For information***
Qualification Title *Exact titles may vary from one awarding body to another*	***Awarding Body***	***Qualification Number (Ofqual)***

Level 3 Award in the Requirements for Electrical Installations BS 7671:2018	*LCL Awards**	*603/3132/X*
Level 3 Award in the Requirements for Electrical Installations BS 7671:2018	*BPEC*	*603/3430/7*
Tailored Award in Design and Verification of Electrical Installations	*SQA [SELECT]*	*208*
Customised Award in Requirements for Electrical Installations to BS 7671 (18th Edition) (2018)	*SQA [SELECT]*	*218*

Note: The Level 3 Installation / Maintenance Electrician apprenticeship qualifications (C&G 5357 / EAL 7345) and Level 3 NVQ diploma (C&G 2357 / EAL 1605) include the requirements. If separate qualification certificates have not been issued, the Awarding Organisation or training provider can provide evidence.

**LCL Awards is a trading name of Logic Certification, qualifications may have been previously issued in this name.*

©NAPIT Registration Ltd

LIST 4 - Initial Verification (Inspecting & Testing)

This is an additional qualification required for work in dwellings unless you have completed a level 3 certificate or diploma from lists 1 to 2 which included initial verification. If you have a qualification from list 5 that combined initial and periodic inspection and testing, you do not need a qualification from this list.

LIST 4 - Initial Verification (INSPECTION AND TESTING)		***For information***
Dwellings Only		
Qualification Title *Exact titles may vary from one awarding body to another*	***Awarding Body***	***Qualification Number (Ofqual)***

LIST 6 - Portable Appliance Testing

If you have applied for Portable Appliance Testing, you must have one of the following qualifications (none of the other lists cover PAT requirements).

If your company has applied for "Managing the Maintenance of Electrical Equipment" they will need to provide evidence that someone within the company has a level 3 in "Management Requirements for the Maintenance of Electrical Equipment" for which the following listed qualifications are a prerequisite.

LIST 6 - Portable Appliance Testing		***For information***
Qualification Title *Exact titles may vary from one awarding body to another*	***Awarding Body***	***Qualification Number (Ofqual)***
Level 3 Certificate in Inspection and Testing of Electrical Equipment (Code of Practice for In-Service Inspection)	*City & Guilds*	*100/1235/7*
Level 3 Certificate for the Inspection and Testing of Electrical Equipment (Code of Practice for In-Service Inspection)	*City & Guilds 2377-12*	*100/4339/1*
Level 3 Award in the In-Service Inspections and Testing of Electrical Equipment (PAT)	*City & Guilds 2377-22*	*600/3597/3*
Level 3 Award in the In-Service Inspections and Testing of Electrical Equipment (PAT)	*City & Guilds 2377-32*	*600/3597/3*
Level 3 Award in the Management Requirements for the Maintenance of Electrical Equipment	*City & Guilds 2377-32*	*600/3528/6*
Level 3 Award in the In-Service Inspection and Testing of Electrical Equipment	*City & Guilds 2377-77*	*603/6790/8*
Level 3 Award in the In-Service Inspection and Testing of Electrical Equipment (PAT)**	*EAL*	*600/4340/4*
Level 3 Certificate in In-Service Inspection and Testing of Electrical Equipment (PAT)	*EAL*	*500/7547/0*
Level 3 Award for In-Service Inspection and Testing of Electrical Equipment**	*LCL Awards**	*601/0491/0*

Note: If your company has applied for "Managing the Maintenance of Electrical Equipment" they will need to provide evidence that someone within the company has a Level 3 in "Management Requirements for the Maintenance of Electrical Equipment" for which the following listed qualifications are a pre-requisite.

**LCL Awards is a trading name of Logic Certification, qualifications may have been previously issued in this name.*
***EP702 and EP703 qualifications pre-date the new Code of Practice and as applicants holding these will need to pass the OAS and on-site assessment.*

©NAPIT Registration Ltd

LIST 7 - Temporary Electrical Installations to BS 7909

If you have applied for Temporary Electrical Installation work you must have attended training and competence assessment specific to demonstrate knowledge, understanding and application of BS 7909.

LIST 7 - Temporary Electrical Installations to BS 7909		***For information***
Qualification Title *Exact titles may vary from one awarding body to another*	***Awarding Body***	***Qualification Number (Ofqual)***
Temporary Electrical Systems (3-day course for new entrants)	*City & Guilds Accredited NA7909-3*	*N/A*
Temporary Electrical Systems (3-day course for new entrants)	*City & Guilds Accredited PTA7909-4*	*N/A*
Temporary Electrical Systems (1 day course for experienced workers)	*City & Guilds Accredited NA7909-1*	*N/A*
Temporary Electrical Systems (1 day course for experienced workers)	*City and Guilds Accredited PTA7909-1*	*N/A*

Note: If you have applied for Temporary Electrical Installation work you must have attended training and competence assessment Specific to demonstrate knowledge, understanding and application of BS 7909.

LIST 8 - Electric Vehicle Charge Point Installation to BS 7671

If you have applied for Electrical Vehicle Charge Point Installation work you must have attended training and competence assessment specific to demonstrate knowledge, understanding and application of BS 7671 and IET CoP Electric Vehicle Charging Equipment Installation.

LIST 8 - Electric Vehicle Charge Points Installation to BS 7671		***For information***
Qualification Title *Exact titles may vary from one awarding body to another*	***Awarding Body***	***Qualification Number (Ofqual)***
Level 3 Award in Domestic, Commercial and Industrial Electric Vehicle Charging Equipment Installation	*City & Guilds 2919-1*	*600/7756/6*
Level 3 Award in the Design and Installation of Domestic and Small Commercial Electric Vehicle Charging Installations	*City & Guilds 2921-31*	*610/0899/0*
Level 3 Award in the Installation and maintenance of Largescale electric vehicle charging installations	*City & Guilds 2921-33*	*610/1420/5*
Level 3 Award in the Requirements for the Design and Installation of Domestic and Small commercial electric vehicle charging installation	*City & Guilds 2921-34*	*610/4640/1*
Level 3 Award in the Requirements for the Installation of Electric Vehicle Charging Points	*EAL*	*603/3929/9*
Level 3 Award in the Installation and Commissioning of Electric Vehicle Charging Equipment in Domestic, Commercial and Industrial locations.	*LCL Awards*	*603/4908/6*
Customised Award in Electric Vehicle Charging Equipment Installations	*SQA [SELECT]*	*324*

LIST 9 - Fire Detection and Fire Alarm Systems for Buildings BS 5839-1:2017 BS 5839-6:2019+A1:2020

If you have applied for Fire Detection and Fire Alarm Systems for Buildings work you must have attended training and competence assessment specific to demonstrate knowledge, understanding and application of BS 5839-1, BS 5839-6 and BS 7671.

LIST 9 - Fire Detection and Fire Alarm Systems for Buildings		***For information***
Qualification Title *Exact titles may vary from one awarding body to another*	***Awarding Body***	***Qualification Number (Ofqual)***
BS 5839-6 Fire Detection and Fire Alarm Systems in Domestic Premises	*C&G Accredited*	*N/A*
Design, Commission & Inspect Fire Alarm Systems & Emergency Lighting Programme (NA-FA-3 & NA-EM-1)	*C&G Accredited*	*N/A*
FIRE DETECTION & FIRE ALARM SYSTEMS - UNIT 6 DOMESTIC	*Certsure*	*N/A*
Level 3 Award in the Requirements of Fire Detection and Fire Alarm Systems for Buildings BS 5839-1:2017	*EAL*	*603/4906/2*
Level 3 Fundamentals of the Recommendations for Fire Detection and Fire Alarm Systems in Domestic Buildings	*FIA*	*603/6105/0*
Level 3 Fundamentals of the Recommendations for Fire Detection and Fire Alarm Systems in Non-Domestic Buildings	*FIA*	*603/5258/9*
Level 3 Award in the Requirements of Fire Detection and Fire Alarm Systems for Buildings BS 5839-1:2025	*EAL*	*N/A*

LIST 10 - Inspection, Testing and Certification of Communications Cabinets / ICT Cabinets

If you have applied for INSPECTION, TESTING AND CERTIFICATION OF COMMUNICATION CABINETS / ICT CABINETS work you must have attended training and competence assessment specific to demonstrate knowledge, understanding and application of BS 7671 in relation to ICT Cabinets.

LIST 10 - Inspection, Testing and Certification of Communications Cabinets / ICT Cabinets		***For information***
Qualification Title *Exact titles may vary from one awarding body to another*	***Awarding Body***	***Qualification Number (Ofqual)***
Understanding the Requirements to Inspect, Test, Certify and Report Electrical Installation to Communications Cabinets/ICT Cabinets	*City & Guilds Accredited*	*N/A*

LIST 11 - Solar Photovoltaic (PV) Systems

If you have applied for Solar Photovoltaic (PV) systems under the Competent Person Scheme for renewables (CPSR), you must have attended training and competence assessment specific to demonstrate knowledge, understanding and application of BS 7671 and may include the IET Code of Practice for Grid Connected Solar Photovoltaic Systems.

LIST 11 - Solar Photovoltaic (PV) Systems		***For information***
Qualification Title *Exact titles may vary from one awarding body to another*	***Awarding Body***	***Qualification Number (Ofqual)***
Solar Photovoltaic (NOS mapped)	*BPEC*	*N/A*
Level 3 Award in the Installation of Maintenance of Small Scale Solar Photovoltaic Systems	*BPEC*	*QAN 600/6283/6*
Level 3 Award in the Installation of Small Scale Solar Photovoltaic Systems	*City & Guilds 2399-11*	*N/A*
Level 3 Award in the Installation and Maintenance of Small Scale Solar Photovoltaic Systems	*City & Guilds 2399-12*	*N/A*
Level 3 Award in the Installation and Maintenance of Small Solar Photovoltaic Systems	*City & Guilds 2922-34*	*610/4841/0*
Level 3 Award in the Installation of Small Scale Solar Photovoltaic Systems	*City & Guilds 2399-13*	*600/5696/4*
Level 3 Award in the Installation and Maintenance of Small Scale Solar Photovoltaic Systems	*City & Guilds 2399-14*	*600/5695/2*
Level 3 Award in the Installation of Small Scale Solar Photovoltaic Systems	*EAL*	*600/5175/9*
Level 3 Award in the Installation and Maintenance of Small Scale Solar Photovoltaic Systems	*EAL*	*N/A*
LCL Level 3 Award in the Installation and Maintenance of Small Scale Solar Photovoltaic System (IMSSSPV)	*LCL*	*600/5775/0*

LIST 12 - Electrical Energy Storage Systems (EESS)

If you have applied for Electrical Energy Storage Systems, you must have attended training and competence assessment specific to demonstrate knowledge, understanding and application of BS7671 and may include the IET Code of Practice for Electrical Energy Storage Systems.

LIST 12 - Electrical Energy Storage Systems (EESS)		***For information***
Qualification Title *Exact titles may vary from one awarding body to another*	***Awarding Body***	***Qualification Number (Ofqual)***
Electrical Energy Storage Systems	*BPEC*	*N/A*
Level 3 Award in the Design, Installation and Commissioning of Small Electrical Energy Storage Systems	*City & Guilds 2923-34*	*610/4840/9*
Level 3 Award in the Design, Installation and Commissioning of Electrical Energy Storage Systems	*EAL*	*610/2091/6*
Level 3 Award in the Design, Installation and Commissioning of Electrical Energy Storage Systems	*LCL Awards*	*603/7131/6*

List 13 - Micro Wind Turbine Installation

No qualifications are currently recognised by NAPIT for Micro Wind Turbine installation work. This list will be updated once suitable qualifications become available.

©NAPIT Registration Ltd

LIST 14 - Insufficient Qualifications

This lists technical knowledge qualifications that are commonly presented by applicants but held alone, are insufficient.

Qualification Title	*Awarding Body / Code*	*Reason for Insufficiency*
Certificate in Electrotechnical Technology - Level 3	*City & Guilds 2330; 100/3602/7; 100/3569/2*	These are classroom-based technical qualifications. They are part of / a pre-requisite to acceptable work-based evidence qualifications, such as the Installation / Maintenance Electrician or Domestic Electrician apprenticeship, Level 3 NVQ with AM2 or the Experienced Worker Assessment (EWA) all with the relevant version of AM2 (AM2S, AM2 and AM2E respectively).
Certificate in Knowledge of Electrical Installation Engineering - Level 3	*City & Guilds 2351*	
Diploma in Electrical Installations (Buildings and Structures)	*City & Guilds 2365; 600/5499/2*	
Level 3 Advanced Technical Diploma in Electrical Installation	*City & Guilds 8202-30*	
Level 3 Diploma in Electrical Installation	*EAL 9331*	
National Certificate Building Services Engineering (Electrical Installations)	*BTEC*	
Level 3 Diploma in Commissioning and Installation	*EAL 0733*	Focused on installation of lifts/hydraulics/escalators.
Level 3 NVQ Diplomas in Electrotechnical Technology (Maintenance pathway)	*City & Guilds 2357-23; EAL*	Maintenance-focused performance units and AM.

**These are classroom-based technical knowledge qualifications. They are part of / a pre-requisite to acceptable work-based evidence qualifications, such as the Installation / Maintenance Electrician or Domestic Electrician apprenticeship, Level 3 NVQ with AM2, or the Experienced Worker Assessment (EWA), each with the relevant version of AM2 (AM2S, AM2 or AM2E respectively).*

If you only hold an insufficient qualification, or do not hold any of the qualifications required for your trade, we recommend you take the NAPIT Qualification Pathways Quiz.

NAPIT have created the **Electrical Qualification Pathway Quiz** to help you find the right route based on your experience, whether domestic or full-scope.

The quiz will guide you towards the most appropriate domestic or full-scope pathway based on your existing qualifications, experience and the type of electrical work you currently carry out and will identify any further training you may need to become eligible for NAPIT electrical certification. **Start the quiz below to find the right pathway for you.**
